

New Mexico Pow Wow 2010

Welcome to the 2010 Pow Wow. I hope you are planning on having a fantastic time with the Lord and your outpost during this camp. I appreciate you taking time to bring your boys to Pow Wow and I know you will be blessed for it.

Royal Rangers is a wonderful place for boys to learn from good Christian role models. Being a role model means relating to the boys. Once again, at this Pow Wow we are going to have several activities that the boys AND leaders can participate in together. That is right, we want the leaders to participate in the activities. However, this year we are going to have the boys leading in the activities and a leader there just to facilitate. This is going to be another fun (and even somewhat relaxing) Pow Wow.

As for activities, we will have the zip line operating, paintball activities, FCF village, several sporting events (flag football, basketball, Ryan's game, etc) and maybe a couple of other surprises. Plan on having a wonderful, memory making time this year.

If you are willing to help facilitate an event this year, please get with Bart Garrison and let him know so we can get everything finished up.

Looking forward to seeing you at Pow Wow,

Bart Garrison
District Director
